What's Happening In The Classroom

Literacy:

The children have made great progress in reading and writing already. They are writing responses to literature at the Listening Center. In their morning journal the children are writing sentences to go with their picture, spacing between words and writing the words the way they sound.

Math:

We are adding and subtracting using the number line, telling time (introducing half hour) and counting money (adding dimes to our collection). Understanding the number grid is helpful when solving the Frames and Arrows problems.

Science/Social Studies

- Perspective Taking
- Fall
- Weather
- Thanksgiving
- Animal Groups

Mark Your Calendars!

- **November 6th** - Picture Retakes
- **November 11th**- Veteran's Day/No School
- **November 23rd** and **November 24th** - Parent Conferences
- **November 25th** - Thanksgiving Recess Begins
- **Special thanks to Andrew's Mom, Mrs. Cartier** for organizing our Halloween celebration!!

From Mrs. Bowers

At our school-wide meeting last week, we adopted the cougar as our school mascot. Please find your Cougar shirt order form in Mrs. Brooks' newsletter sent home last week. I would like to encourage you to read her newsletter and consider purchasing a shirt for your child.
